

Funds for Life – How does that sound? 20% from all Basket Totals* - is that sounding better?

Does the idea of generating funds for life, for your charity, school, group or team appeal to you? It certainly did to us.

That's why we've introduced an exclusive new fund raising initiative that could mean funds for life for you. What's more, we've made it really easy and straightforward to participate in – we've done our fair share of fund-raising with schools and youth groups etc ourselves with our own 5 children over the years, so we know the last thing you want is more paperwork.

Here's how it works:

- 1)Apply for your charity, school, team etc Funds for Life code.
- 2)Promote your code to your families, members or website visitors etc.
- 3)Every order we receive bearing your code will earn your 'good cause' 20% of the basket total* (see below for qualifying gifts).
- 4)The more your 'supporters' use the code, the more they'll earn you.
- 5)Don't forget to ask us if you need a scheme banner for your website – It's free.

There's no limit to the number of times the code can be used and no limit on the amount you can earn for your good cause.

We're always adding exciting new photo and personalised gifts to our selection so there's always going to be something new to choose from.

And we'll even design you a scheme banner to go on your website – just tell us what size you'd like it to be and we'll supply it to your web designer – completely free.

So what are you waiting for? Get your fund raising committee to give us a call or email us for your personalised code right now.

Fabulous Photo Gifts offers probably the largest selection of jigsaw puzzles you can personalise and order online – coupled with our range of quality hand-printed gifts, there's something for everyone and every occasion.

Based near the historic mill town of Belper, Derbyshire, we look forward to being of service to you and your charity, school or group etc – for a lifetime!

Funds for Life - Terms and conditions

Really simple – we really want you to raise as much money as possible without it costing you in time or resources:

Your 'Funds for Life' scheme code should be entered by your participants at the top of the Basket page before they proceed to Paypal's secure checkout.

Orders received that do not display the correct school code on them will not be counted in the funds for life scheme for your school, group or team. We regret we cannot apply codes to orders retrospectively.

Commissions will be paid the following evening by electronic bank transfer to the account details you've provided us with.

All orders must be accompanied by your personal scheme code – either online or via our postal order form. Photo-copies are acceptable providing they show the correct code on them.

Any school, youth group, club, charity or team qualifies.

You must keep us advised of any changes of address / payment details etc. We are not responsible for any uncashed or returned payments, regardless of any future orders received.

Funds for Life commissions available on certain gifts only. Individual gift pages will state where a gift does not qualify. Mixed orders (qualifying & non-qualifying accepted but commission will only be paid on qualifying gifts and not the whole order).

Funds for Life commissions do not apply to our generous bulk purchase prices / bulk orders received.

Basket Total excludes delivery charges.

Terms and conditions are subject to change without notice. Large increases in printable blanks may mean we are forced to reduce the commission percentage rate in the future. We will always give you a months notice if this should ever happen.
